

Ride-on Buggies are not allowed on or across the patio to the front of the clubhouse.

| | | | |
|---------------|--|----------------|---|
| Hole 1 | Approach 1st Tee via the Club Car Park. Keep to the side of the fairway Ditch to the left of the fairway 50 yards short of the green. Uneven ground to right of green. Follow path to next tee. | Hole 10 | Follow path round front of tee and left on path bounded by sleepers to fairway Park to the left of the green Use path to the left of the banked area to cross bridge and follow path round to 11th tee. |
| Hole 2 | Use path from tee to fairway. Traverse either side of green to top of the path to next tee. Follow path to next tee over the bridge. After crossing the bridge use the down path immediately left from the bridge following the fence line. | Hole 11 | Follow path to fairway Use sides of fairway Avoid adverse camber in old bomb craters on this hole. Keep to the left of the green for next tee. |
| Hole 3 | Follow path to fairway Keep to the sides of the fairway Beware undulating fairway Avoid pine tree area to left of fairway. | Hole 12 | Use side of fairway to green Park to left of the green for next tee Follow path to next tee and park at side of tee. |
| Hole 4 | Do not take buggy within 10 yards of the cliff edge for the length of the hole Follow path to fairway Undulating fairway No buggy access around the right-hand side of the green. | Hole 13 | Use side of fairway to green Park to the right of the green for the next tee |
| Hole 5 | Do not take buggy within 10 yards of the cliff edge for the length of the hole. Uneven ground all the way down rough to left of fairway. Use sides of fairway Undulating fairway in front of green. | Hole 14 | Uneven ground to fairway Use crossing points to cross the hummocks Park to the left of the green for the next tee. |
| Hole 6 | Undulating fairway for the length of the hole Do not take buggy within 10 yards of the cliff edge for the length of the hole. Beware of golfers off the 7th tee when approaching the green Buggies must not under any circumstances go down into the Donga. Buggies must be parked on the fairway side of the Donga when on the green and for the next tee. | Hole 15 | Undulating fairway Use sides of the fairway Park to the left of the green. No access for buggies to the right and behind the green. Follow path to next tee |
| Hole 7 | Undulating fairway for the length of the hole Use sides of fairway Park to the left of the green. Take care when traversing up to raised 8th tee | Hole 16 | Follow path to fairway Park to the right of the green for next tee. |
| Hole 8 | Traverse slowly down slope from tee Steep cambers to front of green Park buggy on path area to side of next red tee box and walk to Yellow and white tees. | Hole 17 | Park to side of the tee. Follow path to bridge Buggies must not leave the path on this hole Park on the path to the left of the green |
| Hole 9 | Undulating fairway Use sides of fairway Use path to right side of green to park and move to next tee. | Hole 18 | Cross the ditch by the bridge Very steep hill slippery in wet weather. Park to the right of the green Leave course to the right of the clubhouse. |

Winter Rules –
Buggies must not proceed past any roped areas to Putting or Tee Areas.

This document has been prepared in line with the Course Risk Assessment (July 2019) and should be read in conjunction with the Ride-On Buggy Policy
