16th July, 2021

Dear Competitor

We are very much looking forward to welcoming you to Caldy Golf Club for our annual Festival of Golf during the first week of August. Happily, it would appear that we will be able to operate under slightly better circumstances than last year given the relaxation of the Covid restrictions. That having been said, as I am sure you will appreciate, we will be doing everything that we can to ensure the safety and wellbeing of all our participants and indeed our own staff and organisational team during the event.

A few key points to note are as follows:-

- There will be no requirement to register in the Professional Shop prior to your allocated tee time. We would simply request that you register with the first tee starter 5 mins in advance of your tee time. These tee times are available to view via BRS and on the visitor's section of our Club website.
- The first tee starter will advise you of the competition conditions and any rules and any late changes which may be necessary.
- Whilst our Clubhouse is now fully open, we also have an extensive patio area for those who feel more comfortable remaining outdoors for their food and drink. We also have an area which seats approximately 40 people which is covered on the terrace.
- Score cards should be returned at the end of your round to the box provided duly signed by player and marker. We will endeavour to announce the results the next day and these will be posted on the Club website along with winners of Long Drive and Nearest The Pin competitions. We would respectfully ask you not to call the Office as this is a particularly busy week in our calendar with events taking place on most days of the week.
- Handicap allowances will be 85% of your Course Handicap and you will find the appropriate Course Rating and Slope Tables posted outside the Professional Shop.

Other than the information provided, we simply look forward to welcoming both first time visitors and returning participants to what we hope will be a most enjoyable week.

Kind regards

Richard J Beswick
General Manager
